

Dear Seventh College Residents,

We are excited to welcome you to your new residence at Seventh College! We have put together information that will help you prepare for a smooth and successful move-in.

WHAT STUDENTS SHOULD BRING/NOT BRING ON THEIR MOVE-IN DAY

- ☐ QwikPass (This can be found on your Housing Portal that indicates your housing assignment, Move-In Date and Time, door pin code, PO Box)
- ☐ Continuing students, please bring your campus ID card.
- ☐ An identification card with your name printed on it that is not your campus ID card.
 - ☐ Move-in carts are available to our Seventh College residents only. **Move-in helpers will not be able to check out available move-in carts.** If you are interested in borrowing one of our move-in carts, you will need to leave behind a card with your name on it as collateral as well as your phone number. We will not accept high value items like passports, credit/debit cards, so please plan accordingly. We will accept domestic and international high school IDs, library cards, membership cards, or drivers permit/license/state ID.
 - ☐ Residents will be financially responsible for lost carts and damaged carts.
- ☐ Not all our buildings have elevators, so please plan and pack accordingly.
- ☐ If you need a housing accommodation, please contact the [Office for Students with Disabilities](#) **AS SOON AS POSSIBLE** if you have not done so already.
- ☐ Only service animals and pets that have been approved by the Office for Students with Disabilities are allowed in our residential buildings.

ADDITIONAL INFORMATION

INFORMATION ABOUT YOUR APARTMENT

- Room Inventory Form
 - This will open shortly after move in concludes so keep an eye on your UCSD email. Your Room Inventory Form can be completed through your [Housing Portal](#). We encourage you to be highly detailed and take photos of/note any damages or cleanliness concerns you see when you first enter your apartment. Though this is not required, it is ***HIGHLY ENCOURAGED*** that you complete it to avoid any damage charges at the end of the year.
- Fix-It Requests
 - Fix-It is on campus to help with maintenance, custodial, or pest problems. Call 858-534-2600 or [request assistance online](#). Learn more at hdhfacilities.ucsd.edu/fix-it/index.html. Fix-It can also be called for support with lockouts after hours when the front desk is closed.
- Apartment Servicing
 - Custodial staff will clean the Seventh College Apartments weekly throughout the academic year. You will receive information about who your custodian is and what day they will be cleaning your apartment after you move in. **It is expected that you will have your countertops clear of personal items in the bathroom, kitchen and the showers on those cleaning days. Repeated failure to meet these expectations is a conduct violation.** Toilet paper and trash liners will be provided on designated cleaning days. If you need more on a different day, you may call to request more at 858-534-2600.
- Trash, Recycling, and Composting
 - Community Trash and Recycling bins can be found throughout Seventh College. Most are located outdoors with signs on them, while others may be behind closed doors, such as in North Star. There will also be large trash and recycling bins along Scholars Drive during our general move-in process.
 - Our compost bin is located near the shuttle stop by Amanecer. Code: 2019.

IMPORTANT RESIDENTIAL LIFE INFORMATION

- RA COMMUNITY MEETING
 - The Resident Assistant (RA) Community Meeting will be the first opportunity to formally interact with our Seventh Community. In the meeting, you will meet your RA, your neighbors, and learn about staff who will support you this year. Our Community Meeting covers useful topics like community standards, locations of trash and laundry, what to do if you get locked out, what to do if there's an emergency, and the living space agreements you will need to complete. Your RA will reach out soon with more details on the date and time of this meeting.
- RESIDENT AGREEMENTS
 - To foster a positive living environment, we have two crucial resident agreement meetings. Your RA will contact you shortly on how to schedule these meetings:
 - Living Space Agreements: The Living Space Agreement is where all apartment mates have an RA moderated discussion setting apartment expectations. THIS IS REQUIRED.
 - The Roommate Agreement is a meeting that takes place if you have a roommate. This meeting is about setting expectations for the shared bedroom.
- View our [Residential Policies](#) and [Residential Resources](#) on the Seventh College Residence Life website.

- The first opportunity to request a room change will be approximately mid-October via the “Room Change Interest.”
- **The Housing Contract officially ends no later than 3pm on June 12, 2027.**
